

Take a photo of each phase that you find on your microscope slide and paste it on the appropriate slide below. Don't forget to circle or label which cell is at what stage of division.

 <p data-bbox="203 898 342 932">Interphase</p>	 <p data-bbox="824 898 951 932">Prophase</p>
 <p data-bbox="203 1675 350 1709">Metaphase</p>	 <p data-bbox="824 1675 959 1709">Anaphase</p>

**Briefly give a explanation of each phase:**

Interphase

Prophase

Metaphase

Anaphase

Telophase

Cytokinesis
